

SPECIALIZED CAD OUTSOURCING—EXPERT PRECISION, COST EFFICIENCY, RAPID DELIVERY

Introduction

HireAlbania provides high-precision CAD outsourcing services, connecting businesses with top designers in Albania. We deliver innovative, high-quality solutions across industries, ensuring accuracy, efficiency, and cost savings. With expert designers and rapid turnaround times, we serve as a seamless extension of your engineering team.

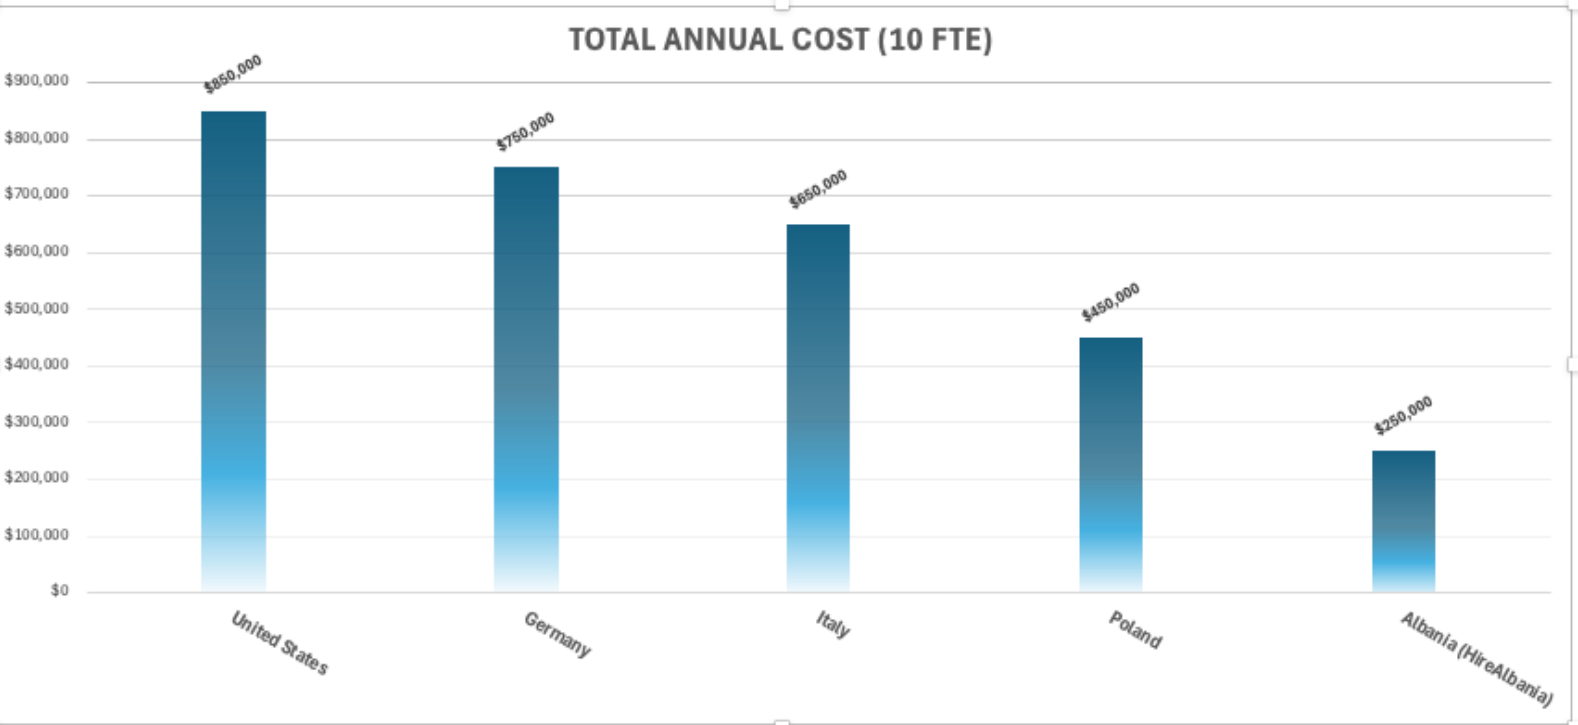

Extensive Benefits

- **Highly Specialized CAD Engineers:**
 - Expertise in SolidWorks, CATIA, AutoCAD, and BIM
 - Extensive experience in industry-specific designs and regulatory compliance.
- **Significant Operational Cost Reductions:**
 - Average hourly rate in Albania: \$12-\$22/hour
 - No mandatory 13th salary required
 - Low overall employment costs
 - Multilingual talent (English, Italian, German)
 - Flexible working arrangements (shift work, remote/hybrid options)
 - Trial periods available, mitigating initial hiring risk

- **Real-Time Communication & Project Efficiency:**
 - Optimal geographic location (Central European Time Zone)
 - Seamless integration with your in-house team, accommodating both Central European and US time zones.
- **Scalable and Flexible Resource Management:**
 - Rapid team scaling based on project demands
 - Easily adaptable contracts (short-term, long-term, project-based)

Cost Comperison Graph

Country	Monthly Cost per FTE	Annual Cost per FTE	Total Annual Cost (10 FTE)	Annual Savings (Albania vs. Country)
United States	\$7,083	\$92,083	\$850,000	~\$600,000
Germany	\$6,250	\$81,250	\$750,000	~\$500,000
Italy	\$5,417	\$70,417	\$650,000	~\$400,000
Poland	\$3,750	\$48,750	\$450,000	~\$200,000
Albania (HireAlbania)	\$2,083	\$25,000	\$250,000	-

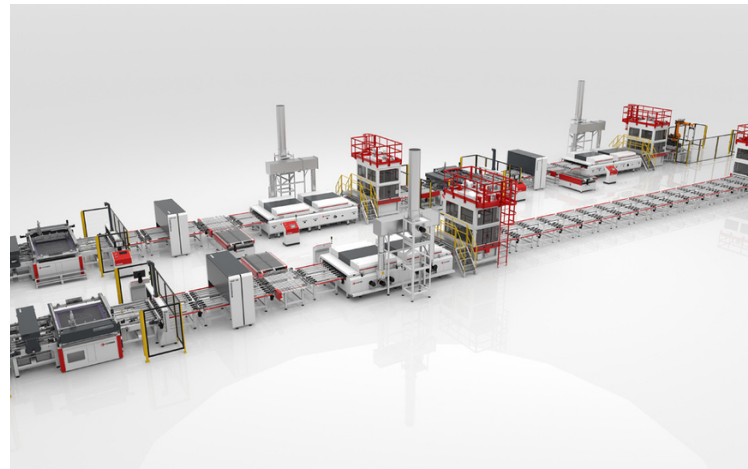

Note: Figures are approximate and based on average market rates, highlighting substantial cost-saving potential.

Clients That Trusted HireAlbania

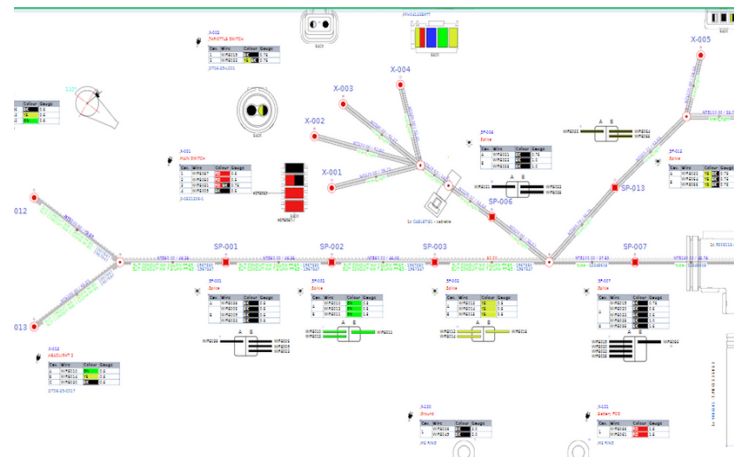

Cugher Glass Srl (Italy)

Cugher Glass partnered with HireAlbania to design sophisticated industrial machinery and automated production lines. Leveraging our CAD expertise, we provided precision engineering and detailed technical documentation, helping them achieve significant cost savings and accelerated project timelines.

Forschner GmbH (Germany)

Forschner GmbH trusted HireAlbania's experienced CAD designers for their automotive cable harness projects. Our specialized team delivered high-quality, detailed harness designs meeting strict automotive standards, resulting in optimized workflows and notable cost efficiency.
